

New Direction:

Teralt s.r.o., with our expertise in providing comprehensive logistics, financial and back-office support services, including cargo transportation, warehousing, insurance, general accounting and inventory management, launched a new division in 2023 - dedicated to supplying and selling spare parts for industrial engines. This strategic move allows us to meet the growing demand for reliable and efficient engine components across various industries.

Our Mission:

To deliver premium-quality spare parts that ensure optimal performance, reduce downtime, and extend the lifespan of industrial engines.

Spare Parts for Leading Engine Brands:

We supply spare parts for a wide range of industrial engines, including:

- ✓ MWM
- ✓ Jenbacher
- ✓ Caterpillar (Cat)
- ✓ Cummins
- ✓ And other leading brands

Product Categories:

- ✓ **Engine Components:** Pistons, cylinders, valves, gaskets, and bearings.
- ✓ **Fuel Systems:** Injectors, pumps, and filters.
- ✓ **Cooling Systems:** Radiators, thermostats, and water pumps.
- ✓ **Electrical Systems:** Starters, alternators, and sensors.
- ✓ **Maintenance Kits:** Comprehensive kits for routine servicing.

Why Choose Teralt s.r.o.?

- ✓ Extensive inventory of genuine and aftermarket spare parts.
- ✓ With the strategic location of our warehouse in Bratislava, Slovakia, we ensure timely delivery of spare parts to customers throughout Europe.
- ✓ Competitive pricing and personalized customer service.
- ✓ All spare parts are sourced from trusted manufacturers and undergo rigorous quality checks to ensure compliance with industry standards.
- ✓ We understand that every engine is unique. Our team works closely with clients to provide tailored solutions that meet specific requirements.

Financial services under an agency agreement.

If the special conditions of the end customer require the provision of direct sales of spare parts or equipment directly from the manufacturer, Teralt s.r.o. is ready to provide agency services to support such a transaction, including financial, accounting and legal expertise.

Contact Us Today:

Let Teralt s.r.o. become your reliable partner for all your needs in spare parts for industrial engines or other areas of our activity. Contact us for advice or request a quote.
